Dear Parents / Guardians,

## ST PAUL'S COLLEGE HISTORY STUDY TOUR TO GERMANY & POLAND 2010

The History Department is organising a study tour to Germany and Poland this summer, visiting Berlin, Warsaw and Krakow. It is an extension of students' History studies in class. The rich histories of Germany and Poland cover most of the important topics in our school syllabus, including totalitarianism during the inter-war period, Second World War, Cold War (Forms 3 to 7) and the Polish Uprisings (F.6).

The tour also helps students appreciate and respect the diverse cultures of these cities, and learn to handle conflicting values, especially the social controversies over the huge changes and continuity of these cities in the past decades. Besides, visiting the world heritage sites in Berlin and Poland will bring insights to students on how a city can preserve its historical wealth of different times and help them reflect on the heritage preservation policy and other public policies in Hong Kong.

Last but not least, in order to allow students to better understand the German culture and language, and gain more during the tour, a short course on the German language will be organised in April and May for all participants of the tour. Lessons will be conducted weekly after school.

<b>Date:</b>	14 <sup>th</sup> - 23 <sup>rd</sup> July, 2010
<b>Target group:</b>	Forms 1 to 7 students
<b>Number of student participants:</b>	22
<b>Number of accompanying teachers:</b>	3
